

**Nominal Pressure: PN 40**  
**Face to face acc. to DIN EN558-1 GR1**  
**Flanges acc. to EN 1092-1, Form B1**  
**Body: cast iron (1.0619)**  
**Seat: metal**  
**Form acc. to DIN EN 13709**  
**all parts are free of non-ferrous metal**  
**The flow direction of the medium is always under the plug**

Tests/certificates: optional TA-Luft certificate
